Welcome to our very first newsletter.

We hope to keep you informed of what is happening here at Roscommon SPCA on a monthly basis, it will all be about the work of the volunteers here at Roscommon SPCA.

Last year was one of the busiest in the history of Roscommon SPCA. Despite the COVID -19 restrictions and movement we still managed to help a huge number of animals in the County and outside. Our Annual Veterinary Care Bills came to over (€60K) Sixty Thousand euro. It was also the year that our external fundraising ceased, and we had to turn to our social media platforms. Thanks to the ongoing support of our supporters and followers we can report our stats with a hint of pride I must say. But, without the commitment of all our volunteers and your donations, we could not achieve this. Thanks to the commitment of our Foster Carers, we saved so many small lives.

Roscommon SPCA is a non-profit organization run by people who volunteer their time. We are affiliated to the Irish Society for the Prevention of Cruelty to Animals (ISPCA).

We look out for the care and protection of animals in County Roscommon, Ireland. We believe that animals should have:

1. Freedom from hunger or thirst by ready access to fresh water and a diet to maintain full health and vigour.
2. Freedom from discomfort by providing an appropriate environment including shelter and a comfortable resting area.
3. Freedom from pain, injury or disease by prevention or rapid diagnosis and treatment.
4. Freedom to express normal behaviour by providing sufficient space, proper facilities and company of the animal's own kind.
5. Freedom from fear and distress by ensuring conditions and treatment which avoid mental suffering.

This year we have also rolled out our First Junior Membership ever at Roscommon SPCA.

## WHY TAKE THE RISK? GET YOUR PET MICROCHIPPED

### **Microchipping your pet**

Sadly, almost every day, we are contacted about stray, lost or abandoned dogs that have become separated from their owners.

Microchipping your pet gives them the best chance of being identified and returned to you if they become lost or stolen.

Although it is a legal requirement for every dog in Ireland to be microchipped, unfortunately, many dogs that are presented to us have unregistered chips, the registered owner is not contactable, or the dog is not microchipped at all

**Get your dog microchipped and registered for €10.00.**

## DONATE YOUR UNWANTED CHRISTMAS PRESENTS

Unwanted Christmas presents  
wanted for our on line shop.

**Wondering what to do with all those unwanted Christmas Gifts?**

Why not donate them to Roscommon SPCA Online Shop, we can sell them on there and all money raised will go towards animal welfare in the County.

## FOSTER CARERS FOR CATS & KITTENS

### Why Foster?

Many of our cats and kittens have been found dumped or abandoned some at a very early age especially during the kitten season- the only way we can save them is with the help of foster homes.

Fostering is all about saving lives. It's as simple as that. We are an all-volunteer non-profit organization dedicated to the proposition that all cats and kittens deserve safe, loving, permanent homes.

Our foster parents provide temporary care for cats and kittens in their homes until they can be placed for adoption. Their compassion provides the second chance that so many stray, abandoned or homeless kitties need, and the satisfaction of knowing that they have helped save the lives of these helpless animals.

We provide support, medications, food and litter as needed, and absorbs all veterinary expenses associated with the care of our kitties. If you love kitties and would like to be a part of our lifesaving team, consider opening your heart and home to cats or kittens in need. We promise you won't regret it! If you can't foster, you can still help save lives as a volunteer or supporting member.

If you would like to inquire about fostering, please click on the fostering inquiry form link here. <https://form.jotform.com/210051620449344>

#### **COLD WEATHER**

As the weather is quite cold and wet at the moment, please make sure that all animals have shelter and food.
